CHAMBER OF COMMERCE HEARS INTERESTING TALK BY CHAIN STORE OFFICIAL

Many Attend to Hear Address Made On Present Day Business Needs

Members of the Niles Chamber of Commerce were treated to an exceptionally fine talk given by W. R. Dow, vice-president of the Safeway organization, at their weekly luncheon meeting held Tuesday noon.

Although the theme of the address given by Mr. Dow pertained mostly to methods and business aspects of chain stores, his talk also included, in a general way, present business conditions. He contended that the "need for greater light on truth on all phases of modern business was absolutely necessary."

The speaker outlined in a very interesting manner some of the inner details of the workings of the lareg Safeway organization, dealing particularly with the methods used in the training of their personnel. He explained the possibilities of those employed by the Safeway stores, and stated that they were trained, not by study from books in a schoolroom manner, but by actual contact and association in their stores.

The meeting Tuesday was attended by an exceedingly large number of visitors, the attendance being the largest for several months.

BONDED DEBT OF ALAMEDA COUNTY RANKS VERY HIGH

Total Bonded Indebtedness for County Amounts to $22,900,500.

Alameda county ranked third from the highest of the California counties in total bonded indebtedness for county and district purposes outstanding as at June 30, 1930, according to a study of county bonded debt recently completed by California Taxpayers' Association. Total bonded indebtedness for the county was $22,900,500. The study did not consider the bonded indebtedness of cities.

Per capita bonded debt of the county at that time was $48.22, population of the county acording to the 1930 census being 474,883. On a per capita basis the county ranked twenty-ninth from the highest debt per person.

District bonds outstanding in the county were $18,285,500, while county bonds were $1,615,000.

Toal bonded indebtedness for all the counties of California was $445,363,534.78. Of this amount, $257,168,234.78 was for district and $188,195,300 was for general county bonds. The average per capita bonded debt for county and district bonds in California as at June 30, 1930, was $78.45.

Los Angeles county had the highest total bonded indebtedness, having also the largest population of the counties of California. However, the bonded debt of Los Angeles per capita, $66.15, was fifteenth from the highest.

Mono, Sierra and Trinity counties showed no county bonded indebtedness outstanding as at June 30, 1930.

POPULAR TOWNSHIP COUPLE UNITED IN MARRIAGE MONDAY

Miss Laura Mae Garcia, daughter of Mrs. Frank Garcia, of Niles, became the bride of Louis A. Mayer, son of Mr. and Mrs. L. J. Mayer, of Alvarado, at the Niles church on Monday morning.

Mr. Mayer is employed at the Leslie California Salt Company office, at their Alvarado plant.

Mr. and Mrs. Ray Peterson and family were dinner guests Sunday at the home of Mr. and Mrs. Fred Vogelsang, of Oakland, afterwards enjoying the ball game.

NATIVE DAUGHTERS TO HOLD DANCE SOON

Laura Loma Parlor No. 183, Native Daughters of the Golden West, of Niles, have planned for a dance to be held at the Garden of Allah on Saturday evening, May 23, and issue a cordial invitation to everybody in Washington Township to attend.

Members of the committee in charge have been working hard perfecting arrangements in order that the evening will be most successful, and from present appearances, and the rapid sale of tickets the affair promises to be well worth while attending.

Niles Grammar school baseball nine administered an eleven-to-five defeat to the Newark grammar school team last Thursday, the game being played on the losers' diamond.

MANY ARE HIRED BY CANNERY LAST WEEK

Employment for more than 150 township people was provided last week by the Schuckle Cannery, of Niles, were operations commenced on canning part of the annual output of fruit salad.

The output for an eight-hour day varies from 800 cases to 1,500, depending entirely on the size of the cans packed, but it is estimated that an average of between forty and fifty thousand cans are handled daily by the large crew employed.

The majority of the merchandise is shipped and sold in England, where it is said that a great demand exists for this particular commodity.

STIFF SENTENCES PASSED UPON TWO RECKLESS DRIVERS

Robert Minerick, of San Francisco, appeared before Judge J. A. Silva at the Niles courthouse Tuesday afternoon, and plead guilty to a charge of reckless driving. He was fined $100 and given a week in which to pay.

Dregorio Mastiangelo, of Oakland, was also arrested on a charge of reckless driving and was sentenced to thirty days in the county jail, when he was unable to pay a fine of $100. Both Minerick and Mastiangelo had been drinking at the time of their arrest.

Earl W. Philstrom, arrested some time ago in connection with the theft of machinery at Decoto, appeared before Judge Silva on a charge of petty theft, and was sentenced to serve thirty days in the county jail.

FIFTH PLACE IS GAINED BY WASHINGTON HIGH SCHOOL BAND AT STATE CONTEST

Musical Organization Wins Honors Saturday at Sacramento.

Fifth place in class B was obtained by Washington Union High school in the State Band contest held at Sacramento on Saturday, first place being won by Willows High school, who repeated their success of the previous year.

Sixty-two musicians represented the local school at the contest, leaving Niles at noon Friday in a special train, returning at 6 p. m., Sunday evening. The party were accompanied on the trip by Mr. and Mrs. E. A. Ellsworth and Miss Gertrude and Vernon Ellsworth, Mr. and Mrs. E. E. Carroll, Mr. and Mrs. A. A. Bettencourt, Miss Ada J. Roberts, and Messrs. W. E. Gravestock, J. B. Hill and John E. Kimber, musical instructor at the high school.

The Washington High band played as their selections "New Colonial March," by Hall; "Morning, Noon and Night,' by Sappa —a required number—and "Phedre," by Messinet.

While in Sacramento, a number of the students took advantage to make some interesting educational trips, some going to the Capitol, and some to Fort Sutter.

Mr. Kimber, instructor of music at the high school, stated Monday morning that the band this year was "by far the best band we have ever had, and the fact that we placed fifth simply indicated that other bands were also constantly getting better. Willows, last year's champions won again this year, and the bands that beat us this year were exactly the same bands that did so last year, except that Watsonville, which competed in class A last year was in class B this year."

Yuba City, Watsonville, Washington, Tracy and Oakdale placed in the order named.

COUNTY OFFICIALS MAKE DEFINITE PROMISES TO CHAMBER OF COMMERCE

DEFINITE PROMISES have been made to members of the executive committee of the Niles Chamber of Commerce by Supervisor Ralph V. Richmond and County Surveyor George Posey to the effect that as soon as signed deeds are obtained from property owners this side of the California Nursery grounds, work would immediately be commenced on the extension of First street through to hindrances to the signing of the the California Nursery line. This deeds by the property owners was made known following a concerned will be met by the conference held Friday between Chamber of Commerce committhe county officials and the executive committee of the chamber of commerce.

At the regular meeting of the Chamber of Commerce Tuesday noon, a full report was made to the members present by R. Blacow, who expressed gratification at the progress that had been made on the project during the past week.

From present indications, it would appear that everything will be smooth sailing from now on until the first unit of the road is commenced, and the Township Register feels assured that no

NEW ROSE GARAGE AT IRVINGTON WILL OPEN ON SATURDAY

Mammoth Free Entertainment Will Mark the Opening Day

Announcement of the formal opening next Saturday evening, May 16, of the new Rose garage at Irvington, is made by popular Ed Rose, who also issues a cordial invitation for everybody to attend and enjoy the many entetainment features he has planned for that evening.

The new garage at Irvington, located in the former Corley garage building, will make the third garage owned and operated by Ed Rose in Washington township and will also feature a complete display of all the latest model Chevrolet cars.

As part of the entertainment to be offered on Saturday evening, Mr. Rose states that free dancing in the Maple Hall will be in order, and that a mammoth free barbecue will also be held. Special features will be held from time to time during the evening, and everything will be free.

Rose garages are also maintained at Niles and Centerville, and competent mechanics, such are to be found at both of these locations, will render prompt and efficient service at Irvington.

GRAMMAR SCHOOL TO PRESENT TWO OPERETTAS FRIDAY

Youngsters from 1st to 6th Grades to Participate In Presentations.

Youthful exponents of histrionic ability will be very much in evidence in the auditorium of the American Legion Memorial building, Niles, tomorrow evening, May 15, when children of the 1st to 6th grades of the Niles grammar school will present two operettas before the public of Washington township.

Children of the 1st, 2nd, and 3rd grades will present "Goldilocks and the Three Bears,' while children of the 4th, 5th and 6th grades are to participate in a musical play "The Enchanted Garden."

Judging from the full dress rehearsal held yesterday morning, the two operettas will be huge successes when presented before the public tomorrow evening. Much valuable assistance has been given the hard-working teachers by members of the Niles Parent-Teachers association and also by a number of the parents of the children who will participate in the presentations.

A small admission charge is to be made, and the balance of the money not used for actual expenditures involved in the presentation of the operettas is to be devoted toward the purchase of a radio for use in the school.

at all stores where GAS RANGES are sold

Special Style Display NOW!

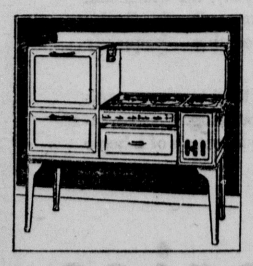
THE PURPOSE of Open House at the stores this week is to demonstrate how the modern Gas Ranges will save your time and energy. You are under no obligation whatsoever in visiting the stores and learning about the new improvements in Gas Ranges.

A modern Gas Range will keep your kitchen clean and give perfect cooking without work or bother on your part. Its porcelain enamel, in colors, will harmonize beautifully in your kitchen.

One of the principal reasons for successful baking with the new Gas Range is the Oven Temperature Control. This device is responsible for more success in baking and more freedom of mind than any other single factor in modern gas range development.

With the Oven Temperature Control, foods cook automatically. You place a meal in the oven, light the gas, set the control, and forget about the food until the baking time is up. Notice the Oven Temperature Control while visiting the stores this week.

Courteous attendants will gladly show you the features of the modern Gas Ranges. Why not stop in and see the displays of Gas Ranges?



SAVE $16.

The price of the oven heat regulator will be deducted from any gas range priced at $116 or more, this week only, May 4 to 10.

Activities Of— TOWNSHIP SCOUTS

On May 8, the following members of the Niles troop enjoyed a swimming party at Piedmont, automobiles owned by Mrs. Myrick and Scoutmaster Green being used to take the boys to the beach: Scoutmaster Green, Charles Myrick, Lawrence Pine, Julius Pine, Harry Cesari, Morgan Cesari, Tony Correa, Joe Correa, Bert McKernan, Elmo Cox, Anthony Souza, Donald Oliver and George Frontz.

On May 7, the Niles troop held a radio program given by Scoutmaster Green, which proved to be very original. The program included a mystery play, with Everett Mendenhall and Muriel Fournier as the leading characters, with Bert McKernan as the hero. Weather reports, variety hour, football game, bootleggers and gangsters—all were included in the program. A prophecy of what members of the Niles troop would be doing in 1950 was also forecast. The program was made posible through the courtesy of Joe Blacow's Radio shop, which loaned a "mike" and other necessary equipment, and the members of the troop wish to take this opportunity to thank Mr. Blacow for his kindness. After the program, members of the Cuckoo and Bear patrols furnished eats.

Committeemen of Troop No. 1, Niles, held a meeting on Friday night, May 8, at the scout building.

Arnold Abrott has transferred to Pleasanton, where he is now senior patrol leader. While living in Pleasanton, he has been attending meetings in Niles, and when the Pleasanton troop was reorganized he made the transfer. Arnold is a Star scout with fourteen merit badges, and joined the Niles troop on December 27, 1927.

At the recent boy scout meeting in Newark, a very interesting talk on "First Aid" in general was given by Thor Nordvik, a recent graduate of the School of Pharmacy of the University of California.

TWO CARS COLLIDE AT INTERSECTION IN NILES

Mrs. J. H. Hamilton, of Oakland, was badly injured when the car in which she was driving collided with a car driven by S. Zerebellos, of Hayward, at the intersection of the California Nursery road and the road leading to the box factory, at 12:15 Tuesday afternoon.

Mrs. Hamilton was injured on her back and chest and her right leg was also hurt. The car in which she was riding was driven by her husband, James H. Hamilton, and their two children were also with them.

She was treated by Dr. E. C. Grau, of Niles, and afterwards taken to her home.

Pleasanton Milk Has Good Record For Past Month

Milk inspection during the month of April showed plainly how the condition of milk varies at different times, according to Dr. Nelson E. Clemens, Pleasanton milk inspector, in his report filed with the town council Monday night.

The bacteria count of the milk from the three large retailers in Pleasanton showed from 250 to 4,800. Three tests were made during the month, it was said. The smaller producing dairies ranged from 7,300 to 47,000 bacteria count.

The last figures represented raw milk, while the first set showed pasteurized and certified milk.

The butter fat content of the milk from all sources in Pleasanton averaged fairly even. The lowest amount was reported as 3.6 and the highest as 4.2.

Barbecue Planned For Boy Scouts Last Part Of May

Pleasanton and Sunol Boys To Have All-Day Program

The Pleasanton and Sunol Boy Scouts and scout officials will hold a barbecue in the Niles canyon the latter part of this month, the Pleasanton troop was told at its meeting this week.

The barbecue will be held on a Saturday and will be an all day affair so that the boys may enjoy hiking and swimming. The definite date for the barbecue has not been set, but will be near the end of the month.

Frank Toscano, of Sunol, has promised the boys that he will barbecue the meat. V. Bernard Johnson and George Richards, scoutmasters of the Pleasanton and Sunol troops, will direct the activities.

HERBERT HARMS NOW MEMBER OF HONOR SOCIETY

Herbert Harms, son of Dr. and Mrs. E. H. Harms, of Pleasanton, has been granted membership in the Alpha Omega Alpha (A. O. A.) fraternity, a society composed of the highest ranking medical students in the country.

Harms is a junior at the University of Colorado at Denver, and was ranked among the first six in the medical college during the past two and two-third years, according to word received by his parents.

He was one of four out of fifty-two at the school who received the honor. Membership in the Alpha Omega Alpha is equivalent to holding a Phi Beta Kappa key in the arts schools.

Harms is a graduate of Amador Valley Joint Union High School and is well known in Pleasanton. He attended the University of California before entering the school at Denver.

VICTORY SCORED BY CENTERVILLE LODGE BALL TEAM

Knights of Columbus Win Game Over Hayward Sunday

The recently formed baseball team of the Centerville Knights of Columbus played its third game of the season last Sunday, defeating the Hayward lodge by a sixteen-to-four score, the game being played on the diamond at Washington Union High school. This is the second victory scored over the Hayward nine, a previous meeting between the two teams resulting in a ten-to-one victory for the local horse-hiders. In their other start, the Centerville nine dropped a close ten-to-nine decision to Berkeley, whom they will meet again at Berkeley next Sunday.

Following are the players for the local team: J. Fontes, p.; E. Pimentel, c.; J. Vasconcelles, 1b.; J. Duarte, 2b.; M. Fontes, 3b.; A. Fields, ss.; J. Collins, lf.; C. Secada, cf.; and E. Brown, rf.

Centerville Store Moves To New Location

Charles Harrelson, proprietor of the Centerville Pool Hall and Barber shop, announces that he has purchased the pool hall formerly known as the Moore Pool Hall in the Fred Rogers building, and is remodeling the place preparatory to moving his barber shop into the new location.

At the present time, Mr. Harrelson is operating a lunch counter, where he is specializing in sandwiches and light lunches. He also sells a complete line of cigars, candy and ice cream.

In the very near future, Mr. Harrelson intends to move his barber shop from its present location in the Gregory Hotel building to the new store.

Bridge Luncheon Held At Home of Mrs. Adams

Mrs. F. Adams gave one of her delightful bridge luncheons on Thursday, May 7, when sixteen ladies were present. Bridge was very much enjoyed after lunch had been served, first prize being awarded to Mrs. F. Bunting, Mrs. D. Anderson winning the second, and Mrs. Gronley the consolation.

Anniversary Meet Is Planned By Men's Organization

On Thursday, May 7, the Men's club of St. James church, of Centerville, held its monthly meeting, with a large attendance being present.

After the routine business and committee reports had been disposed of, arrangements were made for an anniversary meeting to be held on June 4, when wives of the members will be guests at a dinner and social evening. The affair will mark the tenth anniversary of the formation of the club.

HIGH SCHOOL COACH IS INFORMED OF NEXT GAME

By squeezing out a six to five win over Alameda High last week the Washington Union High baseball team earned the right to contest in the final game for the North Coast Section title, and as will be seen from the following letter received by Coach Jess Regli from H. W. Jennings, chairman of the North Coast Section baseball committee, the Cornhuskers will play the winners of the Peninsula and Coast County's league on May 16.

"Congratulations on winning the Alameda County Athletic League baseball championship.

"Your next game will be May 16 with the winner of the Peninsula and Coast County's League. This game will be played with Centerville, the visiting team.

"I suggest that you get in touch with Mr. F. Grant Marsh, of Burlingame High School, as he is a member of the baseball committee."

Special Service Held At Church for Mother's Day

On Sunday, May 10, Mother's Day, the congregation of St. James church, of Centerville, celebrated the day with special music, and a fine attendance of mothers and children was present. Boy Scouts and members of the Men's Guild were also in attendance to enjoy the very fine services rendered.

Club Is Entertained At Bridge Luncheon Monday

Mrs. F. O. Bunting entertained the As-U-Like-It Club at her home on Monday, when the ladies present enjoyed luncheon, followed by bridge. First prize was won by Mrs. C. Haley, and Mrs. C. Emerson was awarded the consolation prize. The next gathering will be held on May 26, at the home of Mrs. Bourner, of Niles.

TITLE TILT WITH SAN JOSE HIGH TO BE PLAYED FRIDAY

North Coast Championship Is Quest of W.U.H.S. Baseball Team.

By virtue of their close win over Alameda High last week, the Washington Union High school baseball squad will travel to San Jose on Friday, May 15, where they will play San Jose to decide the North Coast championship. The win over Alameda enabled the Cornhuskers to grab the county title, and the team is striving every effort, under the coaching and encouragment of Coach Jesse Regli to bring more fame to the school by winning the north coast championship.

The game is to be played at Sodality Park in San Jose tomorrow, and baseball fans of Washington Township are assured that a keen, spirited game will be their reward for making the trip in support of the local boys. Sodality Park may be reached by driving down to First and Santa Clara streets, turning down First for three blocks, then turning to the right and driving west on San Carlos to the Guadalupe Creek bridge. The game will be called at 3:30 o'clock.

Kitashima will pitch for the Cornhuskers, with Garcia doing the catching.

NATIVE SONS OF CENTERVILLE HOLD INITIATION CLASS

Washington Parlor, Native Sons of the Golden West, held a large class initiation on Tuesday evening, May 12, when the degree team from Fruitvale was present to put on the work.

Following the initiation and business meeting, a banquet was served at the El Lido.

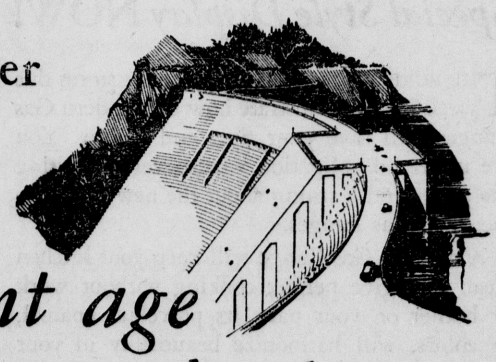
★ BUILDERS OF CALIFORNIA ★
Grandfather scoffed when the Cement age was predicted



THE PROPHESY: "Colossal concrete dams will store water for cities and valleys. People will walk on concrete, ride over concrete roads and bridges, live and work in buildings constructed with cement.". . . . In Grandfather's time, a dreamer's vision. Today—The Age of Portland Cement.

Cement was first produced commercially in California only 33 years ago. Now the state's yearly output exceeds twelve million barrels, valued at more than $25,000,000.

With huge investments, large pay-rolls, wide distribution and seasonal "peaks" of demand—the cement manufacturer requires a strong, convenient, helpful bank.

Bank of America, financing thousands of construction projects throughout the state, knows the problems of builders and material men, and often has the privilege of assisting both. The contractor, the material company, the dealer and the owner may be at widely-separated points. But this Bank's statewide service brings them near together—frequently saving time and money for all.

With construction costs at the lowest level in years, conditions are now unusually favorable for building. You are invited to consult this Bank regarding the financing of a home or any building project.

Annual Program Under Way For Beautifying Pleasanton

Grass, Weeds, Rubbish Will Be Hauled Away Free of all Charge

SACK ALL LOOSE DIRT

Two Week-ends Are Included In Dates of May 9 to May 18

Pleasanton's annual clean-up week will be observed here between May 9 and May 18, council decreed at its meeting in the town hall Monday night at the suggestion of Councilman Frank Garatti, chairman of the Streets committee.

It was reported that the ground was in good shape now for the removal of grass and weeds and that the sooner the cleanup was started, the better for all concerned.

The town will furnish trucks to cart away all grass and weeds and other rubbish whch has accumulated during the winter months. The board asked that the loose dirt be removed from the grass and weeds and that all rubbish such as cans, bottles and the like be sacked.

Every citizen has especially been requested to remove grass and weeds from sidewalks and streets adjacent to their property. If the residents cooperate in this annual clean-up week not only will the beauty of the town be enhanced, but the fire hazard from grass will be eliminated.

For the benefit of those who do not have time to devote to cleaning up except on Sundays, the board has included two week-ends in the time limit in which it will have the refuse hauled away free of charge, May 10 and 17 falling on Sunday.

PLEASANTON IS FINISHING WORK ON NEW BASTILE

All bedding, equipment and locks belonging to the county that were used in Pleasanton's old jail, have been returned to the sheriff's office, Councilman T. J. Orloff told council at its meeting on Monday night.

With the removal of the articles belonging to the county, the new jail is not completely equipped to handle as many prisoners as it has capacity for, it was said.

Owing to the fact that the jail is still receiving its "finishing touches," new equipment will not be gotten at present, but as soon as everything is in readiness new bedding will be purchased, it was said, provided the county does not intend to rent one of the cells and furnish the equipment.

SENIOR CLASS PLAY TO BE PRESENTED NEXT WEEK

Members of the senior class of Washington Union High school are very busy adding final touches for their annual play to be presented in the high school auditorium on Friday, May 22, at eight o'clock. The three-act comedy, "Skidding," has been chosen for this year's offering, and under the able direction and coaching of Miss Audrey Nicely, the cast is rounding into shape very rapidly.

"I have much confidence in the ability of the cast of characters," states Miss Nicely. "They know their parts quite well, and as they have had considerable experience, we are looking for a very good performance."

The leads in "Skidding" will be played by Aileen Steinhoff and George Coley, and will be supported by the following cast: Aunt Milly, Arlene Oliveria; Andy, Clarence Lucas; Mrs. Hardy, James Beveridge; Grandpa Hardy, Ed. Bimemiller; Estelle Hardy Campbell, Edith Gronley; Myra Hardy Wilcox, Olivia Foster; Mrs. Stubbins, Bolivar Lerma.

SPORTMANSHIP OF CORNHUSKERS WINS ALAMEDANS PRAISE

The following letter, exemplifying and extolling the good sportsmanship prevalent anong the athletes at Washington Union High school, imbued in the boys by Coach Jesse Regli, has recently been received by Principal E. B. Hodges from George C. Thompson, principal of Alameda High school, and pertains to the baseball game recently played between the two schools for the championship of Alameda County:

"As President of the Alameda County Athletic league, I desire to extend to you my congratulations and compliments on winning the Alameda County League this term in baseball.

"The boys and coach report to me that they have not played a cleaner, better team during the season than is yours, and they feel that in losing to you they have lost to the better team.

"I hope that your winning may continue and that you will be champions of the North Coast Section which is as far as I believe you can go."

Mr. and Mrs. F. T. Dusterberry and Mr. and Mrs. Howard Chadbourne, of Centerville, were visitors in San Francisco on Wednesday evening, enjoying the

TODAY'S SCRIPTURE LESSON by Rev. John R. Stevenson

And what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?—Micah vi. 8.

Put on therefore.....kindness, humbleness of mind, meekness, long-suffering.—Col. iii. 12.

Plant in us a humble mind,
Patient, pitiful, and kind;
Meek and lowly let us be,
Full of goodness, full of Thee!

SUNOL NEWS

Sunol Scouts Hold Court of Honor and Entertain Visitors

The Boy Scout of Honor was held at the Sunol school last Thursday, with scouts from Livermore and Pleasanton attending. The scouts from Livermore who passed the Second Class test were: Harold Lofstad, Francis Silva, and Russell Owens. Those from Sunol were: Victor Pedri, Max Fackler, Robert Stevenson, Ted Blake, Edmund Brask, Ed Andrade, and George West. Arnold Abrott of Pleasanton, received Merit Badges for Athletics and Camping. Scoutmaster L. B. Moore of Livermore, was in charge of the Livermore Scouts and V. B. Johnson, Scoutmaster of Pleasanton, was in charge of the Pleasanton Scouts. Mr. Hopkins of Hayward was Master of Ceremonies, F. Fackler, Geo. Roraback, and H. A. Johnson, of the Sunol troop committee were with the Scouts, as were several of the Scout's parents. Mr. Richards, Scoutmaster of the Sunol Scouts, is to be congratulated on the troop in Sunol. All of the scouts are working to pass their next test. The Sunol Chamber of Commerce are asked to turn out in a body at their next meeting of the scouts and see what their sponsoring is doing for the youth of Sunol.

The girl scouts of Sunol met at the school with all scouts in attendance, Wednesday evening. They are working at present to pass their second class tests and if close attention and study helps they will be ready in the near future. The scouts, in consultation with their sponsors, the Parent-Teacher's Association, are to give a party in the near future to raise money for several things. At present it has not been decided just what it will be.

Study Class Hold Meet Has Good Attendance

The meeting of the study class was held Wednesday evening with a rather nice attendance. Mr. Tribletice was the leader and an interesting discussion was held on "Capitol Punishment" and "The Influence of Immigration on the Employment Situation." The class meets every two weeks from 8 p. m. until 9 p. m. There are about ten members who attend regularly.

DROP IS NOTED IN TOWN TAXES IN PLEASANTON

Penalties Amounting to $11 Have Been Collected Here to Date

Delinquent taxes to the total of $615.60 at the time council met for the month of May in the town hall Monday evening, were reported by Tax Collector Wm. T. Davis.

Of this amount, $262.80 represented defaulted first installment taxes; and $352.80 was the amount of delinquent second installment.

It was reported that approximately $900 represented the delinquent tax total on the day that they became over-due, April 26. Since that time a number of persons have paid up and paid penalties amounting to $11 for allowing the taxes to become delinquent.

Davis reported that approximately $100 additional taxes had been paid since his report was filed.

MRS. MAUDE HANSEN BECOMES BRIDE OF ARTHUR LEE, SATUDAY

Sunol Resident Is Married In Pleasanton To San Leandro Woman

Mrs. Maude Hansen, of San Leandro, became the bride of Arthur Lee, Sr., of Sunol, at a ceremony conducted by Rev. R. C. Cross at the Presbyterian church on Saturday morning.

Lee is well known in both Sunol and Pleasanton. He is employed at a local gravel plant. Mr. and Mrs. Lee will make their home in Sunol.

YOUR BODY CAN BE NO MORE THAN THE FOOD YOU EAT.

FOODS

Foods are grouped as: Proteins, fats, carbohydrates, organic salts, vitimins, water, oxygen.

PROTEIN: Builds the body, also supplies heat and energy.

Supply: White of egg, whole wheat, raw milk, peas, beans, unrefined cereals, whole wheat bread, nuts.

A heavy protein diet means over-work for the kidneys and liver, and increases blood pressure and causes acid in the system.

FAT: Nature's most concentrated food. Acts as a lubricant; gives energy and heat.

Supply: [illegible] kinds from plants to some extent in fruits, avacadoes, raw milk, butter, eggs, olive oil, cotton seed oil.

CARBOHYDRATES: Starches.

Supply: All cereals, and in many vegetables, some fruits and nuts.

CARBOHYDRATES: Sugars.

Supply: Cane sugars, malt sugar from grains, milk sugar, in milk, glucose, in many fruits called grape sugar. LEVULOST, found in bees' honey.

CELLULOSE: Belongs to the class of carbohydrates. It is essential to a healthy body and good sight.

Supply: It is in the wall of all plant cells and is the outer layer of cereal.

ORGANIC SALTS: The organic salts play the most important part in our nutrition. The movement of liquids through the membranes of the epithelium cells, called "osmosis," can only take place when the necessary variety of organic salts are present in the blood and lymph. The salts or mineral elements can only be assimilated and utilized by our system in the organic form as they are combined in foods by the electric and magnetic rays of the sun light.

Supply: Contained in all natural foods, that have not been refined or destroyed by cooking.

WATER: Water is composed of hydrogen and oxygen. It is contained in varying amounts in all natural foods. It is indispensable as a food solvent in the physiological functions of the body. Drink at least six large glasses of water every day, more if possible. Water flushes the system and carries off the waste matter. Always drink a large glass of water one half hour before each meal. Never drink ice water.

OXYGEN: Oxygen is needed in the form of pure air, and in liberal quantities. Lead a clean outdoor life. Take breathing exercises, and sleep with all the windows open.

BRAN WATER

One cup bran to six cups cold water, soak over night, stir in morning, strain off through tea strainer, and drink at least two cups before breakfast, more if possible. Recleaned bran is used for this and can be bought in any health food store or from your baker. The water will absorb the mineral elements in the bran which are organic and the system will be able to absorb them. This is one of the quickest and best ways to reduce acid in the system. The diet should also be watched very closely.

Sunol School Children Enjoy May Day Picnic

The Sunol Parent-Teacher's Association gave the Sunol school children their annual May Day picnic Friday. The picnic was held in Kilkare Woods where games and swimming were enjoyed by all. Contests were held and small prizes were awarded to the winners. Ice cream was served by the Parent-Teacher's Association. A real good time was enjoyed. The event has been looked forward to by the children for sometime. As it has been done every year for the past four years the children looked to the Parent-Teacher's Association to do the same this year and naturally the Parent-Teacher's Association did not disappoint them.

ACCEPTANCE OF NEW JAIL MADE BY TOWN BOARD

First Payment in Sum of $520.12 Is Ordered Sent to Company

Pleasanton's new jail was formally accepted as to delivery and installation by the town council of that city at its meeting Monday night and the first installment of the contract price ordered paid.

Councilman Thomas J. Orloff, chairman of the Judiciary committee, proposed the acceptance after reports from Police Chief Wm. T. Davis showed that the jail was complete except for the upper tier of bunks; and from M. M. Rodrigues to the effect that the bunks were here and that he had been paid in advance by the erecting company to put them in place.

The first installment paid the Crager Iron and Wire Works amounted to $520.12, representng twenty-five percent of the contract price of $2080.60.

BRIDGE CLUB MEETS

The Spring Bridge club of Pleasanton held its regular meeting at the home of Mrs. R. E. Fisher on Wednesday afternoon. The members were entertained at lunch after which they played bridge. High score was made by Mrs. Louis Eck and Mrs. Lloyd H. Rhodes was given the consolation.

Those present were Mrs. T. L. McDowell, Mrs. Louis Eck, Mrs. H. H. Nelson, Mrs. Lloyd H. Rhodes, Mrs. M. J. Crosby, Mrs. Ted Skinner, Mrs. Rue Preston, of Sunol, and the hostess.

Examination Drive Sponsored by Club

The Parent-Teacher's Association of Sunol sponsored the drive for the examination of all preschool children in Sunol. Several of the parents took their own children. This is an annual affair and is followed in the fall with a follow-up campaign. This allows the children to enter school without any physical handicap. If any thing is found wrong in any degree the child has a chance to then have it corrected before it gets too far advanced. The Sunol children as a whole are all in fine shape out the drive is used more as a preventative in these cases.

Mrs. C. B. Lucier was a San Francisco visitor Friday.

Mr. and Mrs. A. C. Day spent Wednesday in Oakland.

* * *

Mrs. Westling and son, Conrad, were San Jose visitors Sunday.

MISSION HOME IS DAMAGED BY FIRE ON FRIDAY

The home of J. Azeveda, on the Niles-Mission road, was the scene of a fire at 7:30 o'clock Friday morning, the fire originating from a clogged chimney. The alarm was turned in by Frank Dias, and very little damage resulted, due to the prompt attention of the Mission San Jose fire department.

Mission Ball Fans See Fast Game On Sunday

Many Mission San Jose baseball fans motored to Milpitas on Sunday to witness the game between Milpitas and Lerino, and were rewarded by watching a very fast pitcher's duel, with Milpitas coming out on the long end of a one-to-nothing score.

Serious Water Problem Faces Pleasantonians

Failure of San Francisco Pump to Deliver Is Direct Cause

Serious water condition will soon face the town of Pleasanton if action is not gotten from the city of San Francisco immediately Engineer Hugh Sinclair reported to council at its meeting Monday evening.

Sinclair told the board that at one of the town's pumping stations, the pump used by the city of San Francisco takes ten hours to do the work of the Pleasanton's seven hours. When there is a full reservoir of 50,000 gallons the Pleasanton pump empties it in seven hours while the San Francisco pump takes ten hours to again build up the supply.

"In the near future with the warm weather coming on it will mean twenty-four hours of pumping to meet the demand here," Sinclair told council. "There is plenty of water, it is the fact that the San Francisco pump is in need of repairs or worn out that is causing the trouble."

Council ordered the engineer to notify the city of San Francisco of the condition immediately and to report back results at once as if necessary legal action will be taken to force the city to keep an adequate water supply on hand.

Engineer Sinclair also reported that the water level was below the fifty-foot mark at this time.
